MEMORANDUM FOR: Inspector General

SUBJECT : Report on Young Female Employees

1. We have read with interest the recent report made by your staff on the employment of young female employees. We were pleased with the generally favorable tone of this report as it pertains to the services provided by the Office of Personnel and believe that it shows that the management of the Agency has recognized and responded to the need for giving special assistance to these young women.

2. The specific recommendations contained in the report have been studied and discussed by appropriate officers and the results are reported in the attachment.
